Weekend Edition, Joby, KUNM and Denver Post have asked for interviews. I don't think Matt Brown hasn't asked but has followed it very closely and been on all the press calls. The other two NPR stations were suggestions from the region in the case that we wanted the Admin to do something local. Same with Durango Herald.

Have they asked for interviews? Or were these ideas we had?

Here are some suggestions for interviews for the Administrator. We're monitoring the incoming to see if anything else compelling comes in.

- NPR Weekend Edition
- Other NPR stations to consider:
  - KUNC – community radio station in Northern CO that's done a good job covering so far
  - KJZZ – Phoenix
  - KUNM – Albuquerque
- Denver Post
- Durango Herald

- [REDACTED] AP – Matt Brown/Peter Banda
- [REDACTED] WaPo – Joby on the historical context of mining in the area – probably a David Osterman conversation, but one we should make happen sooner rather than later.
